

# Rodolphe's Merlot

IGP Setúbal Peninsula · 2023

Quinta dos Arcos and its vineyards are located next to the Serra da Arrábida Natural Park, about 5 km in a straight line from the Atlantic Ocean — with the Serra da Arrábida between the vineyard and the ocean, slightly reducing the strong maritime influence while allowing optimal ripening conditions.

This wine is produced exclusively from Merlot, which adapts very well to the estate's terroir. Harvest takes place in September.

Fermentation occurs in Roman-style clay amphorae.

## TASTING NOTES

Intense ruby colour. Fresh raspberry on the nose. On the palate, fruity notes of red berries — currant and black cherry. Good structure and a long finish carried by fine tannins.

## FOOD PAIRINGS

Pairs with red meats and roasted game. Goes well with cheeses such as fourme d'Ambert or Pouligny-Saint-Pierre.
